

Fall Weaving Workshop Registration
Where is the Crack in Crackle Weave?
4pm March 7- noon March 10 @ Ruth's Lodge Warsaw, MO

Name

Phone Number

Email

Mailing Address

Students must be able to dress their loom from our threading pattern before class.
This class is a prerequisite for attending our Turned Polychrome Crackle Class March 10-13

Table loom or floor loom?

Important

\$50 registration fee will hold your spot and will credit to the total due. **Registration fee is not refundable. Full payment must be paid by Feb 1.**

Refunds will be given as follows: (minus \$50 registration)

100% refund- time of payment through Dec. 1, 2021

50% refund- December 2- Jan 31, 2022

No refunds after Feb 1, 2022, though you may "sell" any fees you have paid to someone who hasn't already paid their registration.

Move in and set up after 4pm on Monday followed by social time and dinner. After dinner you are free to finish setting your workspace. Class is 8:30-5 Tuesday, 9-5 Wednesday, and 9-12 on Thursday. Hours beyond class time may be spent at your loom, but there won't be an instructor available. Students have been known to weave late in the evening or get up early to work on their project.

Workshop fees are all inclusive and include meals, teacher's fee, study materials and onsite lodging.

Workshop fees do not include warp or weft materials.

You are required to bring your own towels, pillows and bedding.

Workshops are taught by team instructors; Jeff Reynolds and Melissa Jones.

Registration is limited.

****Workshop requires you to come with your loom pre-dressed before class, or if you are renting a loom, to pay a fee of \$75 for loom rental, weaving tool kit, warp materials and dressing fee.
Please mail completed and signed form with payment to:

Melissa Jones
13051 South New Garden Road
Excelsior Springs, MO 64024

Crackle Weaving Basics

Learn where the Crack is in Crackle!

Did you know there were multiple treadling options on one crackle threading? We will sample several different twill treadlings, block treadlings, summer and winter and lace treadlings!

We will also learn how to convert a simple 4 shaft twill threading into 4 shaft crackle, convert a profile draft into crackle and much more.
